Station MANGALORE. *Dated the* 24th September, 1939.

From (Name) Sri M. Narayana Shenoy, B.A., B.L.,

(Designation) Commissioner, Municipal Council, Mangalore.

To The Secretary to the Government of Madras,

Local Administration Department.

Through The Chairman, Municipal Council, Mangalore.

Fort St. George, MADRAS.

Sir,

The Contracts Committee at its meeting held on 10th June, 1939 accepted the lowest quotation of - St. Joseph's Industrial Workshops for the supply of 75 night soil bins, their rates quoted being Rs.10-2-0 each for big size ones and Rs.6-12-0 each for smaller ones. On 16th June, a few hours before the acceptance reached the Workshops, they informed the Health Officer that the

that the price of galvanised sheets having gone up, they would require Rs.11-10-0 for each big bin and Rs.8/- for each smaller bin. It appears that in law they have the right to alter rates before the acceptance is complete as against the tenderer. They were however persuaded to - execute an agreement as per terms originally tendered by them and accepted by the Committee and later make representation to the Council. The supplies have been made and - they have requested the Council to allow them the enhanced rate. In its resolution No. 65 dated 11.9.1939 (copy - enclosed) the Council has decided to allow their request for the following reasons:

1). The point of law was not completely in favour of the Council and the tenderer generously agreed to execute the agreement and make supply first as per original rates and then make any representations they wished to make;

(2). The next lower rates tendered before the -- Constracts Committee were Rs.14/- each for the bigger bins and Rs.12-8-0 for each smaller bin and the revised rates of Rs.11-10-0 and Rs.8/- are well within this next lower rate.

(3) The St. Joseph's Industrial Workshops is a missionary Institution and profits go for charitable purposes.

The amount as per originally accepted rates comes to Rs.742-8-0 and the amount at the enhanced rates demanded comes to Rs.853-12-0. The excess amount therefore comes to Rs.111-4-0. I am to request that the payment of this amount may kindly be sanctioned in the circumstances stated above.
